Emergency First Aid at Work for Schools (INSET)

Qualification: ITC Level 3 Award in Emergency First Aid at Work (RQF)

Duration: 1 day / 7 hours

Certificate: Certified by ITC First and valid for 3 years

Learner age: 16 years +

This fun, practical course not only covers the essential Health and Safety Executive (HSE) syllabus for the Emergency First Aid at Work (EFAW) qualification but also includes additional paediatric topics relevant for a school setting.

Ideal for teachers, classroom assistants, playground helpers and kitchen staff, your next INSET/training day would be an ideal opportunity to gain some essential First Aid skills. We tailor our courses to ensure that we cover the likely scenarios you'll face, so you come away with the skills you need.

+ Suitable for

Small to medium low hazard educational workplaces like schools and colleges.

+ Core content

Prescribed by the Health and Safety Executive (HSE) and includes the following:

- The importance of preventing cross infection
- The use of available equipment & need for recording incidents & actions
- Assess the situation and circumstances in order to act safely, promptly and effectively
- Administer first aid to a casualty who is unconscious (including seizure)
- Administer cardiopulmonary resuscitation (CPR)
- Correct use of an Automated External Defibrillator (AED)
- Administer first aid to a casualty who is choking
- Administer first aid to a casualty who is wounded and bleeding
- Administer first aid to a casualty who is suffering from shock
- Provide appropriate first aid for minor injuries (including small cuts, grazes and bruises, minor burns and scalds, small splinters)

Additional topics include head injuries, asthma, child resuscitation and choking procedures plus any other additional content relevant to your setting. Anaphylaxis and Adrenaline Auto-Injector training can also be included if required.

+ Assessment

We'll observe you throughout the course and make sure you're completing all the practical tasks correctly. There's no scary exam or question paper. You'll need to be there for the full duration and get stuck in with all the practical work.

+ Nature of training

This is an active and practical course that involves rolling around on the floor and some occasional close contact with another learner. Learners need to take a full and active part and comply with our Covid-19 mitigation measures. Please contact us prior to the course starting if you require a reasonable adjustment.

+ Prerequisites

None

+ Dual qualifications

Some learners require multiple First Aid qualifications. Additional qualifications may be gained by completing this training, avoiding the need to do multiple courses. There's a small admin fee and it may require some additional training time. Please contact us for more information and to discuss your requirements.

+ Certificate

Certified by our Awarding Organisation ITC First and valid for 3 years. Electronic certificates are emailed out to learners approximately 2 weeks after the training. This fully accredited qualification is regulated by the Office of Qualifications and Examinations Regulation (Ofqual) and is part of the Regulated Qualifications Framework (RQF).

+ Revalidation

You need to do the full course again in 3 years time to revalidate. The HSE also strongly recommend that first-aiders attend an annual Basic Skills Refresher course (3 hours) to prevent skill fade and maintain confidence.
