First Aid for Children & Students

Qualification: Elements Awareness

Duration: 1 - 2 hours (flexible)

Certificate: Elements First Aid certificate of attendance

Learner age: 7 - 16 years +

We believe that First Aid is a life skill – like learning to swim or riding a bike. Recommended for primary or secondary school children, we'll put together a fun, practical interactive session for kids.

Children absolutely love learning First Aid. Tailored to the specific age group, we'll show them some simple First Aid awareness skills.

+ Suitable for

Recommended for children aged 7 – 16 years.

+ Core content

We'll tailor the course to ensure that it is appropriate for the age group. From bandaging to CPR – there are so many things we can teach them. Just let us know if there is anything specific you would like us to cover.

+ Assessment

This is a relaxed awareness course – there is no formal assessment.

+ Nature of training

This is a relaxed awareness session for children.

+ Prerequisites

None

+ Dual qualifications

None

+ Certificate

You'll receive an Elements First Aid certificate of attendance. Electronic certificates are emailed out to learners approximately 2 weeks after the training.

+ Revalidation

N/A

+ Price

In-house group (minimum 20) – £8 per child

Smaller or larger groups can be accommodated. Please contact us for more information. Price includes use of all course equipment including bandages & resuscitation manikins, PPE, handouts, course registration and certification. For private group courses, travel expenses and accommodation may be at an additional cost depending on course location. We are not currently VAT registered.
